Portfolio

Short / Long Form

Editing across formats: fast-paced short-form cuts and a full long-form documentary.

Talkside (TCR)

A podcast short-form edit for Talkside, cut with b-roll and motion captions for pacing and retention.

Before & After: Podcast Edit

The raw footage and the final cut shown side by side within one piece, with b-roll and motion captions added, to show the editing decisions behind the result.

Rev Oke Omezi

A segment from a documentary directed and edited in full, opening on a framing intro before moving into the interview itself.
